EMPLOYEES' RETIREMENT ASSOCIATION
(PENSION TRUST FUND OF THE COUNTY OF STANISLAUS, CALIFORNIA)**

**POPULAR ANNUAL
FINANCIAL REPORT**

**FOR THE FISCAL YEARS ENDED
JUNE 30, 2009 AND 2008**

TO STANCERA MEMBERS

I am pleased to provide you with the Popular Annual Financial Report (PAFR) of the Stanislaus County Employees' Retirement Association (StanCERA) for the fiscal year ended June 30, 2009. The PAFR is intended to provide you a snapshot and brief discussion of the financial activities of StanCERA for the year. The PAFR is based on StanCERA's Comprehensive Annual Financial Report (CAFR) for 2009 and 2008. The selected financial data it presents conform to generally accepted accounting principles and are consistent with information contained in the CAFR. A complete CAFR can be located on StanCERA's website: www.stancera.org. The CAFR contains more detailed information regarding the financial position of StanCERA.

StanCERA's funding objective is to meet long-term benefit obligations by maintaining a well-funded plan status and obtaining optimum investment returns. The most recent actuarial valuation, conducted as of June 30, 2008, provided StanCERA with a funded ratio of 85.0%. The actuarial valuation is performed annually taking into account the market value of the assets used to determine employer contribution rates and spreading all gains and losses over five years, known as a 5 year smoothing method. The next actuarial valuation is in process for the fiscal year ending June 30, 2009.

Despite the volatility in the stock market, Management believes the Plan remains in a strong financial position to meet its obligations to the Plan Participants and Beneficiaries. For the fiscal year ended June 30, 2009, StanCERA's total portfolio outperformed its policy benchmark of -17.70% with an overall loss of 16.40%. This is a direct result of the impact of the sub-prime lending crisis, the falling housing market and a decline in consumer confidence.

The Plan net assets decreased \$253 million as a result of the difficult year in the market. Net investment income decreased by \$93 million where normal contributions (member and employer) increased by \$1 million. Benefit payments increased by \$4 million over the prior year and administrative costs to operate the System increased by \$0.1 million.

StanCERA's independent auditor, Macias Gini & O'Connell, LLP, has audited the financial statements and provided an opinion that the financial statements present fairly, in all material respects, the financial position of StanCERA for the years ended June 30, 2009 and 2008, and the results of its operations for the years then ended in accordance with generally accepted accounting principles.

Sincerely,

Tom Watson

StanCERA Expenses fiscal year ending June 30, 2008

The primary uses of StanCERA's assets are in payment of benefits to retirees and their beneficiaries, refunds of contributions to terminated employees, and the costs of administering the Plan. Administrative costs increased over the prior year due to an increase in annual salaries and an increase in County Support services.
