1.8. Amended 12/16/2015

1.9. INDEPENDENT OPERATIONS

StanCERA is a separate legal entity from Stanislaus County and is governed by the Retirement Board. California Constitution provides that the Retirement Board has the full responsibility and authority to invest StanCERA member retirement funds and provide necessary services in administering retirement benefits as provided in the 1937 Act, and as adopted in multiple employer-employee agreements. To fulfill the mission of StanCERA, the Retirement Board hires staff, contracts with investment managers, hires consultants, and adopts an administrative budget.

To save the time and effort of establishing its own set of Personnel Policies and tracking labor laws (and in accordance with California State law), the Retirement Board hires staff who are Stanislaus County employees. This means that in general and in most instances, these staff will be treated (hired, paid, promoted, demoted, retired or fired) the same as other Stanislaus County employees in like classifications. However, given that StanCERA staff provide services to a variety of public agencies and administer retirement benefits, staff are not subject to mandates from the Board of Supervisors or its agents that would interfere with or otherwise supersede the delivery of those services. To that end this Statement of Independent Operation acknowledges that from time to time, the Retirement Board may act to overrule or set aside a personnel decision or action that emanates from Stanislaus County personnel authority involving staff hired by the Retirement Board or its Executive Director. In matters of retirement benefit administration, the Retirement Board shall have final say in its handling of staff. The Retirement Board has and will continue to utilize Stanislaus County Personnel staff to handle recruitments and Stanislaus County payroll with its contingent of payroll-related items.
such as: extra help, Personal Services Contracts, leave time and termination cash out payments, retirement benefits, Social Security coverage, deferred compensation program, group health insurances, unemployment insurance, long term disability, workers compensation insurance, professional development, employee assistance program, cafeteria plan cash out, auto allowance and mileage reimbursement the same as other Stanislaus County employees.

The Retirement Board has used and will continue to use its hired investment consultant to aid in its decision on specific investment managers to hire, their performance and possible termination, as well as providing education on investments.

The Retirement Board has used and will continue to use a variety of special consultants and attorneys.

Since fiscal year 2003-2004, the administrative budget for StanCERA has been approved and monitored solely by the Retirement Board. While the budget includes costs for Stanislaus County services through the Stanislaus County’s cost allocation plan (CAP), these services are approved for payment since they support the staff in its mission to provide the promised retirement benefits. While StanCERA may choose not to utilize Stanislaus County services, it intends on continuing its use of and payment for services obtained through the Stanislaus County’s CAP as needed. StanCERA will not pay for general Stanislaus County costs to the extent that it does not receive services for such costs.

1.10. ADMINISTRATION OF EXECUTIVE DIRECTOR POSITION, INVESTMENT CLASSIFICATION AND OTHER EXECUTIVE LEVEL STAFF

Specifically regarding the position of Executive Director, the Investment Officer Series and any other executive level classifications, the Board of Retirement shall have full control over the creation, assessment and disposition of these positions, including salary, and will administer and achieve this control using the processes currently in place at the County. It is understood that the processes used to achieve this control should not be limited to the administration of existing executive level County classifications, as StanCERA, from time to time, may need to create and administer other executive level classifications that do not currently exist. The Retirement Board will continue to work with County Personnel to ensure that any other County classifications used by StanCERA in the administration of the retirement plan are properly structured within the County’s salary and position guidelines.

Disability Counsel shall give written notice of the date, time and place of the hearing to all interested parties at least 30 days in advance of the scheduled hearing, unless otherwise stipulated by all interested parties.

B. The Executive Director shall maintain a list of retired judges or qualified licensed attorneys who are approved by the Retirement Board and who are available to serve as hearing referees. The Executive Director shall appoint the referee for each hearing by determining which person on the list served last and selecting the person next in order. reasonable period of time, the Executive Director shall appoint the person on the list next in order. The notice of hearing shall include the identity of the person appointed as referee. C. The referee or, with respect to hearings before the Retirement Board, the Chair or the Chair’s designee, shall exercise such control over the hearing as is reasonable and necessary including, but not limited to, prescribing the order of proof, ruling upon the admissibility of evidence, ordering medical examinations; requiring the additional relevant evidence be gathered and presented; questioning witnesses, and determining whether the matter shall proceed or be adjourned subject to continuation.

D. Except as otherwise provided in this Article, any relevant evidence shall be admitted if it is the sort of evidence on which reasonable and responsible persons are accustomed to rely in the conduct of serious affairs regardless of the existence of any common law or statutory rule, which might make improper the admission of such evidence over objections in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in and of itself to support a finding unless it would be admissible over objection in civil actions.

E. Oral evidence shall be taken only on oath or affirmation.

F. On any relevant matter, each interested party shall have the right to call and examine witnesses, introduce documentary and other physical evidence, and cross-examine opposing witnesses. Any interested party who does not testify on his own behalf may be called and examined as a witness, as if, under cross-examination.

1. A history of the subject injury or illness;
2. The subject employee's prior and subsequent medical history;
3. The subject employee's current subjective complaints;
4. The findings upon examination;
5. The nature and extent of disability;
6. The anticipated nature and extent of further treatment or care;
7. Whether or not the subject employee has a disability, which permanently incapacitates him/her from performing his/her usual and customary job duties, and the basis for that opinion, including the specific job duties for which he/she is incapacitated and the specific medical conditions, which so incapacitate him/her.

I. Any interested party may offer, and the Retirement Board or referee shall receive in evidence, medical records and reports, provided that copies of the said documents have been served on all other interested parties at least fifteen (15) days prior to the hearing, along with written notice of intention to offer the said documents into evidence. Any other interested party may subpoena the author of such a medical report or record as a witness and examine him/her as if under cross-examination.

J. Any interested party may offer, and the referee or Retirement Board shall receive, into evidence the written statement of any non-medical witness provided that:

1. It is made by affidavit or by declaration under penalty of perjury; and,
2. A copy has been served on all interested parties at least fifteen (15) days prior to the hearing along with notice of intention to offer the same into evidence.

K. Any interested party may offer, and the Retirement Board or referee shall receive into evidence the deposition of any witness subject to the objections available under Code of Civil Procedure Section 2025.010 et seq., notwithstanding that the deponent is not "unavailable as a witness" within the meaning of Section 240 of the Evidence Code, and no exceptional circumstances exist if:

1. The deposition was taken in the manner provided for by law or by stipulation of the parties; and
2. At least fifteen (15) days prior to the hearing the proponent of the deposition delivered to all interested parties notice of intention to offer the same into evidence. Any interested party upon receiving such notice may subpoena the deponent and, if he does so, at the discretion of the Retirement Board or referee, either the deposition may be excluded from evidence or the deposition may be admitted and the deponent may be further cross-examined by the party who subpoenaed him/her.

L. For the purposes of this article, "service" of a document or notice may be accomplished manually or by mail in the manner provided by section 9.21. If delivery is by mail, the times
prescribed in this Article for delivery of documents and notices shall be increased by five (5) days.

M. Applicants shall personally appear at all hearings pertaining to their application. Service by mail of written notice of hearing shall be sufficient to compel an Applicant’s appearance at hearing. Failure of an applicant to personally appear and testify at any duly noticed hearing, whether before a Referee or the Retirement Board shall be deemed a withdrawal of the corresponding disability retirement application with prejudice, unless the hearing is continued by agreement of the parties or upon a showing of good cause. All hearing notices shall include a statement in substantially the following form: “The applicant must personally appear and testify at this hearing. Failure to do so will result in a denial of the disability retirement application.”
