APPROVED AS TO FORM:

FRED A. SILVA, GENERAL LEGAL COUNSEL

Fred A. Silva General Legal Counsel

#### Dear Rick,

As I mentioned in my voicemail message yesterday, Fitch Ratings ("Fitch") downgraded the senior unsecured rating of SLM Corp. ("SLM") from BBB- to BB+ on May 29. As a result of the downgrade, SLM is now rated Ba1/BBB-/BB+ by Moody's, Standard & Poor's, and Fitch, respectively, and is considered below investment grade based on the "middle of three ratings" methodology prescribed by your investment guidelines. The Stanislaus County Employees Retirement Association portfolio holds 1.2% in SLM bonds across four securities maturing between 2015 and 2018.

Your guidelines state that should the quality rating limit be exceeded due to either market appreciation of rating agency downgrade, prompt notification to the Retirement Board is mandated and the portfolio positions returned to compliance immediately from the time of breach. We have brought your portfolio back into compliance. Please let me know if you have any questions.

Best regards, Deirdre

## For the Retirement Board meeting Held on June 12, 2013

TO: Internal Governance Committee Chair Maria DeAnda, Donna Riley, Joan Clendenin

FROM: Rick Santos, Executive Director

## I. SUBJECT:

- a. Continuing education requirement regarding attendance of State Association of County Retirement Systems (SACRS) semi-annual conference
- b. Mandatory events for new Trustees
- II. ITEM TYPE: Discussion and action regarding recommendation to the full Board
- III. STAFF RECOMMENDATION: None
- IV. ANALYSIS: Recently, Trustee Riley questioned the efficacy of StanCERA's Bylaw requirement that Trustees attend at least two SACRS conferences within their 3-year term. Specifically, Article 14.3.A states:
  - "A Retirement Board member must attend at least two State Association of County Retirement Systems (SACRS) meetings during the member's 3 year term;"

The discussion today is a necessary part of the governance process, since Article 14.2 states:

"It is the Retirement Board's intent to further educate themselves and staff through a review of information attained at continuing educational seminars and conferences, and also establish an attendance list of worthwhile continuing education sponsors"

Staff is not making any specific recommendation today, since this item is directed more towards Board member participation at SACRS events. However, staff has put together a list of considerations that may guide today's discussion.

- 1. *StanCERA's mission and vision statements* Does the event facilitate the Organization's mission and vision statements?
  - a. Mission: StanCERA secures and manages investment funds to provide benefits to its members.
  - b. Vision: Ensuring tomorrow's benefits through prudent management.
- 2. *Education* A major intent of Article 14 is continuing education. As a result, a good starting point is to decide whether the event in question offers the types of educational opportunities that facilitate the Organization's ability to meet its obligations and manage risk in a prudent manner.

- 3. *Networking Opportunities* SACRS may be the foremost venue for Trustee participation and attendance. As a result, this may be an efficient way to stay informed on the issues facing Trustees of other retirement systems
- 4. Alternatives Are there alternative events that offer greater educational value in terms of costs and benefits? Costs may not only include money but time as well. Trustees are very busy and need to be judicious about how they allocate their time.

Events required of new Trustees

The other topic up for discussion is whether there are specific events or seminars that should be required of new Trustees. CALAPRS does offer several educational programs for Trustees that may satisfy the Committee which then could be included in our Bylaws.

- 1. Trustee Roundtable Discussions
- 2. Overview course in Retirement Plan Administration
- 3. Intermediate and Advanced courses in Retirement Plan Administration

There are of course many other events and seminars that are more technical in nature but do a good job illuminating some of the contemporary and economic issues facing public defined benefit plans today. After discussion, input and direction from the Committee, staff can compile a list of recommended events if the Committee so wishes.

- V. RISK: None
- VI. STRATEGIC PLAN: Goal 3, Strategy A: <u>Board Leadership</u>. Maintain excellence in governance through orientation of new members and high-quality educational activities for Board members
- VII. BUDGET IMPACT: Uncertain but assumed to be minimal; The elimination of the attendance requirement of this event may lower travel and event costs, but the addition of other event requirements would most likely mitigate those savings

## June 12, 2013 Board of Retirement Meeting

TO:

The Board of Retirement

FROM:

Kathy Herman, Operations Manager

I. SUBJECT: Consider the Adoption of the Recommended Final Budget for Fiscal Year 2013-2014 (Attachment I)

II. ITEM TYPE: Action

III. **RECOMMENDATION:** Accept the Recommended Final Fiscal Year 2013-2014 Administrative Budget with any changes that result from the Retirement Board's review at this meeting.

#### IV. ANALYSIS:

StanCERA is projected to end the current fiscal year with a budget savings of approximately \$300,000. This savings is attributed to employees' health insurance choices, postponement of the Strategic Planning workshop, and not all legal fees being realized for the O'Neal vs. StanCERA lawsuit currently in litigation. Some of these costs will be carried forward.

The recommended Final Budget for FY13/14 totals \$2,448,791, which reflects a 2.34% increase as compared to the Draft Budget presented to this Board on April 23, 2013. This is a 2.1% increase on a cash basis over last year. The following narrative highlights the changes.

#### FY 2013 - 2014 Budget Limitation

Government Code section 31580.2 within the 1937 Act was amended effective January 1, 2011 to allow for expenditures for administrative services (other than software, hardware and computer technology consulting services) to be the greater of 0.21% of the accrued actuarial liability or \$2,000,000. The accrued actuarial liability of StanCERA as of June 30, 2012 was \$1,888,713,204, of which 0.21% (\$3,966,298) is available for administrative expenses. We have shown the costs related to the IT Coordinator, computer technology software, hardware and consulting services separately in this budget (see "Budget Code Section 31580.2 (2)(b)" column in **Attachment I**.

## FY 2013 - 2014 Administrative Final Budget Request

A total of \$2,448,791 is requested for all administrative expenses in FY13/14 including the \$301,021 related to computer technology. The total of administrative expenses (excluding computer technology costs) of \$2,147,770 is 0.11% of the accrued actuarial liability as of June 30, 2012, below the 0.21% legal limit. The 6<sup>th</sup> Floor lease revenue will offset increased 6<sup>th</sup> floor expenses.

## FY 2013 – 2014 Administrative Budget Request- Cont.

Salaries and Wages - \$755,253 includes eleven full-time staff and one part-time or extra help staff. See <u>Attachment II</u> for the organizational chart. As part of the agreement, when the County imposed the 6% reduction to all full-time employees, the County Board of Supervisors has approved the return of 1% of pay in response to improved economic situations. Full time staff members will continue to take a 5% **deduction** in pay for FY13/14.

Employee Benefits - \$365,839 includes both retirement and health care cost which are increasing again in FY13/14.

- The final payment for the County's pension obligation bond is in FY13/14. This expense will be spread across payroll for all employees for the entire fiscal year.
- The budget for Employee Benefits decreased this year due to many employees opting out of health care coverage. This could change at open enrollment.
- Salary and Benefits of \$88,202 for the I.T. Coordinator are budgeted separately.

12<sup>th</sup> Street Maintenance - The \$47,708 budgeted for the 12<sup>th</sup> Street maintenance is projected by the County. This is \$23,581 higher than was reflected in the FY12/13 budget. These "12<sup>th</sup> Street" costs include building common areas and the garage. The estimated cost projected by the County is higher than previously calculated by staff for the Draft budget.

12<sup>th</sup> Street Utilities - The \$37,883 budgeted for the 12<sup>th</sup> Street Utilities is projected by the County. Utilities include the entire 6<sup>th</sup> floor. The estimated cost projected by the County is higher than previously calculated by staff for the draft budget and will be partially offset by lease revenue.

Other County - In previous years the Other County services budgets reflected the estimated costs provided by the County by CEO/Personnel, Auditor, Purchasing, and Risk Management. These costs are now being budgeted separately. Each year an adjustment is done to true up the CEO/Personnel A-87 estimated costs with the actual two years prior. This adjustment varies.

- CEO/Personnel (A-87) \$8,854
- Auditor \$8,164
- Purchasing \$750
- Risk Management \$1,444

12<sup>th</sup> Street Security - The \$22,387 budgeted for the 12<sup>th</sup> Street Security is projected by the County. Security is onsite from 7:30AM – 8:00PM. The estimated cost projected by the County is higher than previously calculated by staff.

Contract Services - This budget of \$10,000 includes services related to confidential shredding and potential costs related to the custody bank search.

6<sup>th</sup> Floor – This budget unit has also been refined to more easily budget and track expenses for the 6<sup>th</sup> floor. 6<sup>th</sup> Floor Security is the cost for the motion sensor and monitoring. Janitorial and Supplies include the costs of regular janitorial services provided by an outside vendor, some potential for extraordinary cleaning that may be needed (e.g. carpet cleaning or window washing) as well as additional cost due to the leased space.

## FY 2013 - 2014 Administrative Budget Request- Cont.

This budget item will be partially offset by the estimated lease revenue of \$52,346. The Maintenance budget includes upgrading the emergency public address system to alert staff and customers.

- Security \$600
- Janitorial & Supplies \$20,979
- Maintenance \$6,000

Communication and Printing – The budget of \$32,217 includes payroll advice notices, annual financial reports, semi-annual member statements, two elections and newsletters. Distribution is all done via U.S. Postal services. Payroll distribution is no longer an option for active members.

Publications - \$2,800 includes the Wall Street Journal (WSJ) subscriptions but can also include SACRS materials such as 1937 Act law manuals or other publications. A budgeted amount of \$2,800 is in line with this fiscal year's estimated expenditures.

Fiduciary Meeting Allowance - The budget of \$16,000 is in line with previous year's expenditures.

Insurance - The \$65,855 budgeted for Insurance includes the estimated cost of Automobile Liability, General Liability and Fiduciary insurances in FY13/14. The Fiduciary Insurance annual coverage cost will increase based on the 6/30/2012 fund balance and past experience.

Section 31596.1 of the CERL states that the following expenses shall not be considered a cost of administration of the retirement system, but shall be considered as a reduction in earnings from those investments or a charge against the assets of the retirement system as determined by the Board. These expenses are reported in the Audited financial statements presented to the Board of Retirement in the Comprehensive Annual Financial Report.

- Actuarial Fees
- Investment Consultant Fees
- Attorney Fees –directly related to an investment
- Investment Manager Fees
- Custodial Bank Fees

#### V. RISK:

Government Code section 31580.2 allows for expenditures for administrative services (other than software, hardware and computer technology consulting services) to be the greater of 0.21% of the accrued actuarial liability or \$2,000,000. In FY13/14, we continue to exercise prudence in budgeting administrative expenses and are submitting a budget which is only 0.11% of the accrued actuarial liability and well below the allotted legal amount.

#### VI. STRATEGIC PLAN:

Goal 3 – StanCERA will maintain excellence in governance and customer service through continuous organizational improvement.

## VI. BUDGET IMPACT:

Overall, the Final Budget on an expense basis will increase by \$68,808 and \$45,111 (2.1%) on a cash flow basis. This increase can be attributed to several factors; four in particular are legal fees, maintenance, insurance and depreciation.
