SUMMARY OF LEGISLATION

Approved by the Governor on September 25, 2002, Assembly Bill 2766 (AB2766) added new statutes to the California Government Code. These statutes allow former safety members, who are members of a reciprocal retirement system, to redeposit their contributions upon meeting certain criteria.

Government Code §31831.3

(e) This section shall only apply to the following:

- (1) A former member who is in the service of an employer as an officer or employee of a law enforcement agency or fire department whose principle duties consist of active law enforcement or firefighting and prevention service, but excluding one whose principle duties are those of telephone operator, clerk, stenographer, machinist, mechanic, or otherwise, and whose functions do not clearly come within the scope of active law enforcement or firefighting and prevention service, even though the officer or employee is subject to occasional call, or is occasionally called upon, to perform duties within the scope of active law enforcement or firefighting and prevention service.
- (2) A former member who is in the service of an employer and seeks to redeposit contributions as an officer or employee of a law enforcement agency or fire department in this system whose principle duties consisted of active law enforcement for firefighting and prevention service, but excluding one whose principle duties are those of telephone operator, clerk, stenographer, machinist, mechanic, or otherwise, and whose functions do not clearly come within the scope of active law enforcement or firefighting and prevention service, even though the officer or employee is subject to occasional call, or is occasionally called upon, to perform duties within the scope of active law enforcement or firefighting and prevention service.

ACKNOWLEDGEMENT & AUTHORIZATION

Under penalty of perjury, I declare that I am an active member of a reciprocal public retirement system and the above government code sections apply. I have not purchased this service credit from another retirement system. I authorize my current employer and current retirement plan administrator to release any service purchase or redeposit records requested by StanCERA.

I understand requests take 8-12 months to be processed.
